

TVAS - Parking / Standing / Idling While Waiting For The School Bus

Within TVAS Rules and Regulations are those which address parking within the community, meeting public safety requirements. This note is a clarification of the existing rules and is applicable to those who wait at the lower end of the community for the school buses.

Parking/Waiting/Standing is permitted only by the curbs shown by the dotted line - - - - -

1. Along that part of Prospect Circle by the open common area adjacent to the entrance to the community.
2. Along that part of Prospect Circle between 251 and 273 Prospect Circle.

Please remember that there is a fire hydrant between 273 Prospect Circle and Mount Airy Road and parking is not permitted along that part of the street.
